Sub: Regarding coverage of SD MIS as well as Aadhaar enrolment in Govt. & All Private. Schools

Sir/madam,

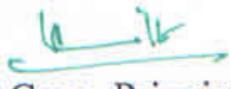

We appreciate your cooperation in giving us timely information for SD MIS as conveyed earlier; the same has been uploaded on student.udise.in. Now, we need to verify and edit the information on this online portal. According to the SD MIS data only 83% students have been assigned Aadhar number which is low as compared to the National average and it should be 100%. You are requested to treat this matter as urgent and update Aadhar number of students enrolled in your Schools.

For this, all schools have been given a unique user name and password at block level by BRCC Upper primary. Thus it is requested to update the data with the help of Computer Teacher/ PGT IP, please

1. Open student.udise.in
2. Enter your login User Name and Password.
3. Please check online, the student data of your class and section
4. Edit/enter Aadhar data, whichever missing and update other information .e.g. Name of Student, CWSN Category, Account. No. & IFSC code etc.

You are further requested to ensure 100% achievement under SD MIS by updating Aadhar No. and Student data before 13th May 2017. So, that we are able to honour the commitments made in the PAB by State.

"Treat it most urgent and time bound".
