Sir/Madam

As you are aware of the fact that RAA is a unique concept that aims to nurture a spirit of enquiry and creativity; love for science and mathematics and encourage children to show inclination to these subjects. The RAA is being implemented in six schools of Distt. Bilaspur namely G.S.S.S. Berthin, Swahan, Panjgain, Dangar, Bharari, Namohal. There is a Proposal to include more schools of Distt. Bilaspur under RAA. Your school, if selected under this proposal, will be required to spend estimated amount that will be released for the said activity during financial year 2017-18. You are therefore requested to send a detailed plan of all activities to be undertaken by your school in this academic year 2017-18 within ten days. The suggestive list of activities is attached for your ready reference. With thanks.

Yours faithfully
