Subject: Registration to Online Programme on School Leadership and Management

Dear Shri Chand,

At the outset, we are thankful for all the support that your state government has extended over the past few years in making the National Programme on School Leadership Development successful and reach out to as many school heads as possible in a face to face mode. Our experiences across the board have made us realize that there is a need for multiple approaches of programme delivery if we want to cover the huge magnitude of schools in the country and within each state/UT. Taking this line forward, we are pleased to share with you that the National Centre for School Leadership, National Institute of Educational Planning and Administration has developed an **Online Programme on School Leadership and Management** for School Heads of the country.

NCSL is opening its first round of registration to the Online Programme on School Leadership and Management on **10th February 2018** for school heads/principals of elementary and secondary schools of the government and government aided sector. The website for Online Programme on School Leadership and Management is <http://pslm.nuepa.org/>. The duration of the Online Programme is of two and a half months from the date of registration. This course is built on the seven curricular areas of the school leadership development curriculum and has various modes of interactive user interface. The completion of the Online Programme leads to a Certificate from NCSL, NIEPA.

The implementation of this Online Programme is a gigantic task for which NCSL requires extensive support by the state government in ensuring that *each* school head/principal is registered to this course. The online programme has also been made adaptable to smart phones, making it accessible for users who do not have a computer facility. It is requested that the state government makes necessary arrangements to flash this website <http://pslm.nuepa.org/> through MIS co-ordinators in all state/district/block level education institutes and wherever possible so that the programme is widely advertised. The notification is attached with the letter (Appendix 1). There will be successive rounds of registration to accommodate the residual number of school heads/principals. The MIS co-ordinators will update the information in consultation with NCSL as and when necessary.

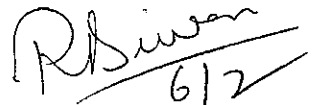

Contd.....

For any further clarification and information NCSL help desk may kindly be approached. The details are as follows: Contact Person: Suraj Kumar, Mob: 07011651546, Ph: 011-26544800/551/552, Email Id: ncslhelpdesk@gmail.com.

We look forward to your support.

With warm regards,

Yours sincerely,

6/2
