**Sub: Implementation of Student database Management Information System (SDMIS) in 2017-18**

Sir/madam,

In reference to the letter No HPSES (SSA/RMSA)-MIS-02/2003-VIII-13136-50 received from State Project Director (SSA/RMSA) dated 22<sup>nd</sup> feb.2018 along with a letter of Secretary (Education) to the Govt. of Himachal Pradesh dated 17-02-2018 and letter of GOI dated 23<sup>rd</sup> Jan 2018 on the subject cited above, it is submitted **that tracking of student in <http://student.udise.in> portal is ready for adding of student, promote a student from one class to next class, transfer student from one school to another, etc.**

In this regard a **user manual have also been attached with this letter and also been displayed on web site [www.dietbilaspur.in](http://www.dietbilaspur.in)**. This initiative was started during end of the year 2016-17. Wherein personal information of all the students in the district was captured on 35 different parameters, a huge database was created and completed in the month of June 2017. We appreciate your cooperation in giving us timely information for SDMIS as conveyed earlier; the same has been uploaded on student.udise.in.

Now, we need to update the information by adding new students and updating by promoting the students on this online portal. You are requested to treat this matter as urgent and update the 100% information of students enrolled in your Schools.

For this, all schools have been given a unique user name and password (in the last year workshop of Computer Teacher/ PGT IP) thus it is requested to update the data with the help of these teachers, please.

1. Read the user manual
2. Open student.udise.in

3. Enter your login User Name and Password.
4. Please check online, the student data of your class and section
5. Add new student and updating by promoting the students one class with section to next class by filling all the information.

You are further requested to ensure 100% achievement under SD MIS by updating Student data as early as possible and intimate this office accordingly

**"Treat it most urgent and time bound"**.
